

We are committed to keep evolving as a restaurant and as a result we are always on the lookout for new and exciting wines to share with you. Essentially, if it's delicious and we think you'll love it... it's in our list!

We believe that wine should be an experience and we're delighted to be able to offer you some of our favourite fine wines by the glass through our state-of-the-art Coravin system. Not sure what to try? No problem, we can recommend the perfect wine to go with each course on the menu. Whenever we taste a new wine for the list, we always try and match it to one of the current dishes on our menu; a pairing between food and wine can make the whole dining experience even better.

In our recent wine list update, we introduced a few new wines that I think will blow your socks off. My personal favourites of the new wines are the Raimat Albarino from Spain with its mouthwatering hit of citrus fruits and refreshing finish. The elegant and classy Domaine Roblin Sancerre, and the stunning Uggiano Brunello di Montalcino which is available by-the-glass through the Coravin system.

As ever we have a fine selection of Champagne to choose from and all available by-the-glass including the new addition of the Bollinger Special Cuvee and not forgetting my favourite duo of Taittinger Brut and Taittinger Prestige Rosé.

We know you'll love the new list, why not ask the staff for their favourite recommendations too...

Enjoy!
