

We are committed to keep evolving as a restaurant
and as a result we are always on the lookout for
new and exciting wines to share with you.
Essentially, if it's delicious and we think you'll love it...
it's in our list!

We believe that wine should be an experience
and we're delighted to be able to offer you some of our
favourite fine wines by the glass through our state-of-the-art
Coravin system. Not sure what to try? No problem,
we can recommend the perfect wine to go with each course
on the menu. Whenever we taste a new wine for the list,
we always try and match it to one of the current dishes
on our menu; a pairing between food and wine
can make the whole dining experience even better.

In our recent wine list update, we introduced a few new wines
that I think will blow your socks off. My personal favourites
of the new wines are the Raimat Albarino from Spain
with its mouthwatering hit of citrus fruits and refreshing finish.
The elegant and classy Domaine Roblin Sancerre, and the
stunning Uggiano Brunello di Montalcino which is available
by-the-glass through the Coravin system.

As ever we have a fine selection of Champagne to choose from
and all available by-the-glass including the new addition of the
Bollinger Special Cuvee and not forgetting my favourite duo of
Taittinger Brut and Taittinger Prestige Rosé.

We know you'll love the new list, why not ask the staff for their
favourite recommendations too...

Enjoy!
